

Surah Ar-Rahman

Assalamu alaikum

Ramadan is a special time. It is the month when our hearts slow down, our days feel different and the Quran feels closer than usual. During this month, Allah invites us to notice His mercy in ways we might normally miss.

Assalamu alaikum

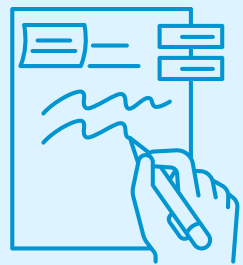

Surah Ar-Rahman is a surah that helps us do exactly that. It reminds us, again and again, of Allah's favors, in the world around us, in our lives and inside our own hearts. It teaches us to see mercy before rules, gratitude before complaints and care before fear.

Assalamu alaikum

In this Ramadan series, we will walk through Surah Ar-Rahman together, one day at a time. Each day will help you think, reflect and notice something new about Allah and about yourself.

Take your time. Be curious. And begin each day with Bismillah.

Ramadan

Ramadan is one of the most special months in Islam. It is the month when the Quran was revealed and when Muslims all over the world fast from sunrise to sunset. But Ramadan is more than just not eating or drinking. It is a time to slow down, reflect and turn back to Allah.

Ramadan

During Ramadan, we pray more, read more Quran and try to be kinder and more patient. Hunger helps us understand gratitude. Fasting helps us learn self-control. Night prayers help us feel closer to Allah. Everything about Ramadan is meant to soften the heart.

Ramadan

Surah Ar-Rahman is a beautiful surah to study during this month. It reminds us again and again of Allah's mercy and His many favors. As we fast and reflect, this surah helps us notice blessings we might normally overlook, in our lives, in the world around us and in our relationship with Allah.

Ramadan

Even when Ramadan ends, the lessons do not have to. This month is a chance to build habits, strengthen faith and learn how to recognize Allah's mercy every day, just like the Quran teaches us to do.

Puzzle Time! Notice or Ignore?

Tick the actions that show real appreciation:

Thanking Allah for small things

Acting like blessings just appear by themselves

Thinking carefully about where good things come from

Always being too busy to notice anything

Remembering that all good things come from Allah

Day 11: Don't Overlook Allah's Gifts

Draw & Reflect

Draw yourself looking carefully at something around you... the sky, your hands, a book or a smiling face. Write one sentence starting with: "Alhamdulillah for..."

Value of the Day: Appreciation

Every blessing has a Giver. When we notice Allah's gifts, we are opening our hearts to Him!

فَبِأَيِّ آءَاءِ رَبِّكُمَا تُكَذِّبَانِ

“Which, then, of your Lord’s blessings do you both deny?”
(55:13)

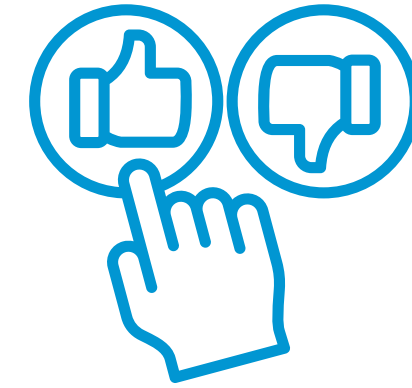

Today's Challenge:

Stop once today and say Alhamdulillah for something you usually take for granted like your shoes, your bed or your eyes!

Ready for the next revelation? Bismillah.

Tomorrow we learn about where people come from and what makes us truly valuable!

Day 12

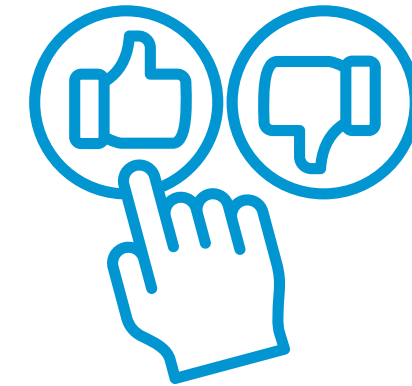

Don't Overlook Allah's What You Are Filled With Matters

خَلَقَ الْإِنْسَانَ مِنْ صَلْصَلٍ كَالْفَخَّارِ ﴿١٤﴾ وَخَلَقَ الْجَانَّ مِنْ مَّارِجٍ مِنْ نَارٍ ﴿١٥﴾
فَبِأَيِّ آلَاءِ رَبِّكُمَا تُكَذِّبَانِ ﴿١٦﴾ رَبُّ الْمَشْرِقَيْنِ وَرَبُّ الْمَغْرِبَيْنِ ﴿١٧﴾ فَبِأَيِّ آلَاءِ
رَبِّكُمَا تُكَذِّبَانِ ﴿١٨﴾

Khalaqa al insana min salsalin kal fakhkhar. Wa khalaqa al janna min marijin min nar. Fa bi ayyi ala'i rabbikuma tukaththiban. Rabbul mashriqayni wa rabbul maghribayn. Fa bi ayyi ala'i rabbikuma tukaththiban

Day 12

Don't Overlook Allah's What You Are Filled With Matters

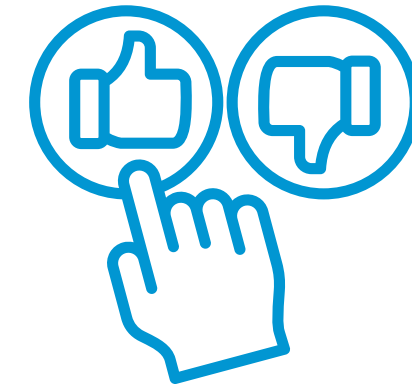

He created mankind out of dried clay, like pottery, the jinn out of smokeless fire. Which, then, of your Lord's blessings do you both deny? He is Lord of the two risings and Lord of the two settings. Which, then, of your Lord's blessings do you both deny?

**Lesson
of the Day**

Allah asks us to stop, think and appreciate His favours instead of ignoring them.

Day 12

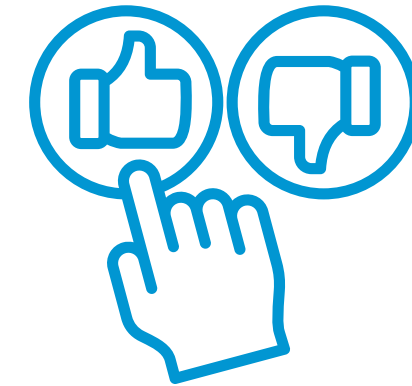

Don't Overlook Allah's What You Are Filled With Matters

Quick Recap

Allah tells us that humans were created from dried clay, like a pot. When a pot is empty, it makes a hollow noise if you tap it. But when a pot is filled with something good, it becomes really useful!

Day 12

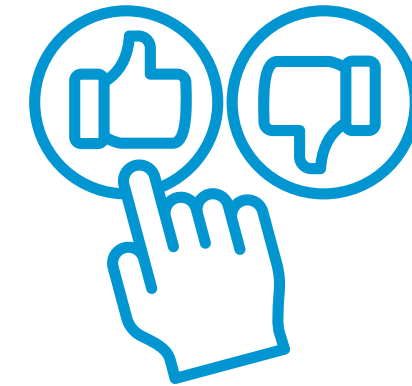

Don't Overlook Allah's What You Are Filled With Matters

Quick Recap

We are like that pot. Our bodies are amazing, but what we fill our hearts with is what gives us real value. Do we fill our hearts with kindness? With patience? With love for Allah? Or with other things?

Day 12

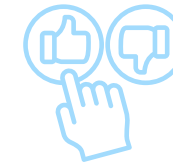

Don't Overlook Allah's What You Are Filled With Matters

Quick Recap

Allah also tells us that jinn were made from fire, different from us. And He is the Lord of two Easts and two Wests, meaning He is in charge of everything, everywhere, for every kind of creation!

Day 12: What You Are Filled with Matters

Let's Think!

What were human beings created from?

- A. Light
- B. Fire

What happens when a pot is empty?

- A. It is very quiet and useful
- B. It sounds hollow and empty
- C. It grows food

What gives a person real value?

- A. Being very loud
- B. Being filled with goodness inside
- C. Showing off to everyone

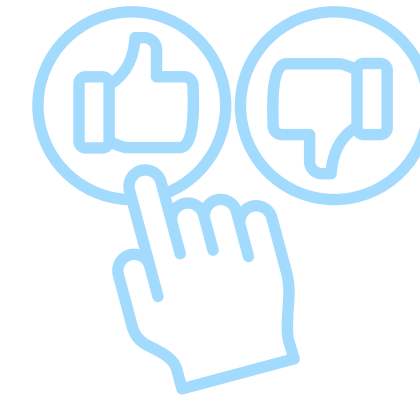

Day 12: What You Are Filled with Matters

Reflection

What is one good thing you want to keep filling your heart with?

Day 12: What You Are Filled with Matters

Puzzle Time! Empty or Filled with Good?

Tick the things that fill a heart in a good way:

Being kind to others

Being loud and showing off all the time

Learning something useful

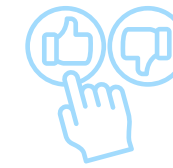

Helping someone who needs it

Being mean to get what you want

Day 12: What You Are Filled with Matters

Draw & Reflect

Draw a pot or a heart. Inside it, write or draw good things to fill it with, like kindness, patience, gratefulness or love for Allah!

Value of the Day: Humility

We start simple, like clay. But what we fill ourselves with like kindness, learning, love is what makes us shine!

خَلَقَ الْإِنْسَانَ مِنْ صَلْصَالٍ كَالْفَخَّارِ

“He created mankind out of dried clay, like pottery,” (55:14)

Today's Challenge:

Choose one good habit today that helps fill your heart with something beautiful. Even one small kind act counts!

Ready for the next revelation? Bismillah.

Tomorrow we discover hidden barriers in the ocean and amazing treasures inside!

Day 13

Boundaries That Protect & Beautify

مَرَجَ الْبَحْرَيْنِ يَلْتَقِيَانِ ﴿١٩﴾ بَيْنَهُمَا بَرْزَخٌ لَّا يَبْغِيَانِ ﴿٢٠﴾ فَبِأَيِّ آلَاءِ رَبِّكُمَا
تُكَذِّبَانِ ﴿٢١﴾ يُخْرِجُ مِنْهُمَا اللُّؤْلُؤَ وَالْمَرْجَانَ ﴿٢٢﴾ فَبِأَيِّ آلَاءِ رَبِّكُمَا
تُكَذِّبَانِ ﴿٢٣﴾

**Maraja al bahrayni yaltaqiyan. Baynahuma barzakhun la yabghiyan.
Fa bi ayyi ala'i rabbikuma tukaththiban. Yakhruju minhuma al lu'lu'
wal marjan. Fa bi ayyi ala'i rabbikuma tukaththiban**

He released the two bodies of [fresh and salt] water. They meet, yet there is a barrier between them they do not cross. Which, then, of your Lord's blessings do you both deny? Pearls come forth from them: large ones, and small, brilliant ones. Which, then, of your Lord's blessings do you both deny?

Day 13

Boundaries That Protect & Beautify

Lesson of the Day

Allah places boundaries in creation and from them come beauty and order.

Day 13

Boundaries That Protect & Beautify

Quick Recap

Allah tells us about two large bodies of water that come very close to each other. Even though they meet, they don't mix – because Allah put a barrier between them! You can't always see it, but it's there.

This barrier protects both seas and keeps the world in balance.

And from those very seas come pearls and coral – precious and beautiful things! This teaches us something wonderful: beautiful things can come from places we least expect!

Then Allah asks again: "Which of your Lord's favours will you deny?" – reminding us to notice even the hidden things He does for us!

Day 13: Boundaries That Protect & Beautify

Let's Think!

What does Allah put between the two bodies of water?

- A. A wall that people built
- B. A barrier that Allah created
- C. Nothing at all

What comes from the seas?

- B. Pearls and coral
- C. Nothing important

- C. Beauty

Day 13: Boundaries That Protect & Beautify

Reflection

Why do you think Allah created limits and boundaries instead of letting everything mix together?

Day 13: Boundaries That Protect & Beautify

Puzzle Time! Protected or Unprotected?

Tick the things that need boundaries to stay safe and beautiful:

Oceans staying in their own places

Everyone doing whatever they want all the time

Rules that protect people

Mixing everything up with no order

Systems that keep things balanced

Day 13: Boundaries That Protect & Beautify

Draw & Reflect

Draw two seas next to each other. Draw a line between them to show the barrier. Under the seas, draw pearls and coral! Write: "Allah protects things in ways we can't always see."

Value of the Day: Wonder

Allah places beauty and treasure in places we might not expect.

يَخْرُجُ مِنْهُمَا اللُّؤْلُؤُ وَالْمَرْجَانُ

“Pearls and coral come from them.”

(55:22)

Wonder means stopping to notice how amazing Allah’s creation is.

Value of the Day: Wonder

Today's Challenge:

Notice one rule or limit in your day today that helps keep things safe or nice. Say Alhamdulillah for it!

Ready for the next revelation? Bismillah.

Tomorrow we look up at huge ships on the sea and remember who is really in charge!

Day 14

Even the Strongest Things Belong to Allah

وَلَهُ الْجَوَارِ الْمُنشَآتُ فِي الْبَحْرِ كَالْأَعْلَمِ ﴿٢٤﴾ فَبِأَيِّ آلَاءِ رَبِّكُمَا تُكَذِّبَانِ
﴿٢٥﴾ كُلُّ مَنْ عَلَيْهَا فَانٍ ﴿٢٦﴾ وَيَبْقَى وَجْهُ رَبِّكَ ذُو الْجَلَالِ وَالْإِكْرَامِ ﴿٢٧﴾

Wa lahu al jawari al munsha'atu fil bahri kal a'lam. Fa bi ayyi ala'i rabbikuma tukaththiban. Kullu man 'alayha fan; wa yabqaa wajhu Rabbika Thul Jalali wallkraam

His are the moving ships that float, high as mountains, on the sea. Which, then, of your Lord's blessings do you both deny? Everyone on earth perishes; Only your Lord Himself,¹ full of Majesty and Honour, will remain 'forever'.

Day 14

Even the Strongest Things Belong to Allah

**Lesson
of the Day**

Even the biggest and strongest things only exist because Allah allows them to.

Day 14

Even the Strongest Things Belong to Allah

Quick Recap

Allah points to the enormous ships that sail across the seas. They are so huge they look like mountains floating on the water! They carry people and goods all over the world.

Day 14

Even the Strongest Things Belong to Allah

Quick Recap

People built these ships but Allah reminds us that He owns them. The sea can become wild and stormy in a second. Without Allah's permission, even the strongest ship is helpless.

This teaches us that human power and cleverness only work because Allah allows them to. Even the biggest, strongest things in the world belong to Him!

Day 14: Even the Strongest Things Belong to Allah

Let's Think!

What does Allah compare the ships to?

- A. Birds
- B. Mountains

Reflection

How does knowing that Allah controls even the strongest things change the way you think about power?

Day 14: Even the Strongest Things Belong to Allah

Puzzle Time! Strong or Controlled?

Tick the things that look strong but are still under Allah's control:

Huge ships on the ocean

Wild, stormy waves

Things people invent and build

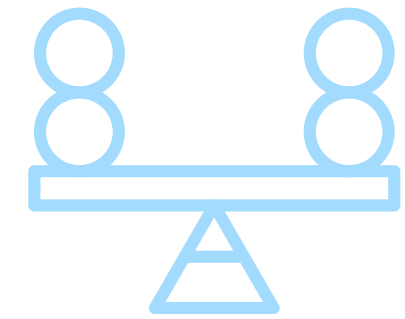

Mountains and seas

Things that happen completely by accident

Day 14: Even the Strongest Things Belong to Allah

Draw & Reflect

Draw a massive ship on the ocean with huge waves around it. Write one sentence: "Allah keeps everything moving."

Value of the Day: Dependence

Big ships float like mountains on the sea.
But they only move because Allah allows them.

وَلَهُ الْجَوَارِ الْمُنشَآتُ فِي الْبَحْرِ كَالْأَعْلَامِ

“His are the moving ships that float, high as mountains, on the sea.”
(55:24)

Dependence means remembering:
Even when something looks strong, it still depends on Allah.

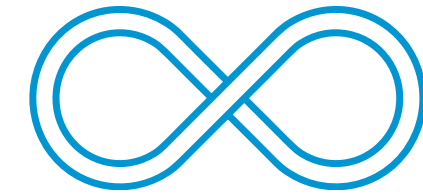

Today's Challenge:

**When you feel proud of something you did today, say:
"Alhamdulillah, Allah helped me do this!"**

Ready for the next revelation? Bismillah.

Tomorrow we hear something that might feel a little sad at first, but it leads to a very comforting truth!

Day 15

Everything Ends, Allah Remains

كُلُّ مَنْ عَلَيْهَا فَانٍ ﴿٢٦﴾ وَيَبْقَىٰ وَجْهُ رَبِّكَ ذُو الْجَلَالِ وَالْإِكْرَامِ ﴿٢٧﴾

Kullu man 'alayha fan. Wa yabqa wajhu rabbika dhu al jalali wal ikram

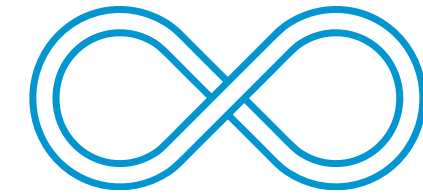

Everyone on earth perishes; all that remains is the Face of your Lord, full of majesty, bestowing honour.

**Lesson
of the Day**

Everything in this world will end one day, but Allah will always remain.

Day 15

- A. They stay forever
- B. They will one day pass away
- C. They never change

- A. The strongest people
- B. The world itself
- C. Allah

Why is it helpful to remember this?

- A. To feel scared of everything
- B. To understand what truly matters
- C. To stop caring about anything

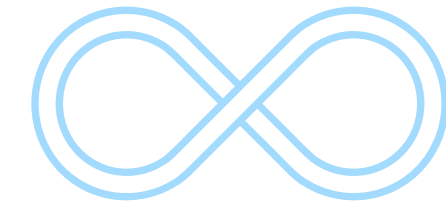

Day 15: Everything Ends, Allah Remains

Reflection

What is something you love that changes over time and how does remembering Allah help you feel calm about that?

Day 15: Everything Ends, Allah Remains

Puzzle Time! Lasts or Fades?

Write **L** if it **Lasts** forever or **F** if it **Fades**:

A favourite toy

A sunny day

A person's strength

Allah

A happy memory

Day 15: Everything Ends, Allah Remains

Draw & Reflect

Draw something you enjoy that can change over time; a toy, a flower, a sunny day. Next to it, write the name "Allah". Think about how He stays the same even when everything else changes!

Value of the Day: Trust in Allah

Everything changes, but Allah remains. When things around us end or fade, we can always turn to Allah because He is always, always there.

كُلُّ مَنْ عَلَيْهَا فَانٍ

“Everyone on earth perishes;” (55:26)

Today's Challenge:

When something doesn't go the way you hoped today, whisper: "Allah is always here, even when things change."

Ready for the next revelation? Bismillah.

Tomorrow we discover something amazing! Everything, even our heartbeat, is asking Allah for help!

Day 16

Everyone Needs Allah

وَيَبْقَىٰ وَجْهُ رَبِّكَ ذُو الْجَلَالِ وَالْإِكْرَامِ ﴿٢٧﴾ فَبِأَيِّ آلَاءِ رَبِّكُمَا تُكَذِّبَانِ ﴿٢٨﴾

Everyone Needs Allah

all that remains is the Face of your Lord, full of majesty, bestowing honor. Which, then, of your Lord's blessings do you both deny? Everyone in heaven and earth entreats Him; every day He is at work. Which, then, of your Lord's blessings do you both deny?

**Lesson
of the Day**

Everyone and everything needs Allah every single moment.

Day 16

Everyone Needs Allah

Quick Recap

Allah tells us that everyone in the heavens and the earth is always asking Him. But this asking doesn't always use words!

Your heart beats, that's asking Allah to keep it going. Your lungs breathe, that's asking Allah to let you breathe. Your eyes open every morning, that's asking Allah to let you see.

Day 16

Everyone Needs Allah

Quick Recap

Even while you sleep, your whole body is still asking Allah to keep you alive until morning. Nothing happens on its own. Everything needs Allah's permission!

Tick the things that happen because Allah allows them:

Your heart beating

Your lungs breathing

Your eyes seeing

Your body healing when you get hurt

Things that happen completely by accident

Day 16: Everyone Needs Allah

Draw & Reflect

Draw yourself sleeping peacefully. Draw small upward arrows from your heart and lungs. Write: "Allah keeps me alive even when I am sleeping!"

Value of the Day: Dependence on Allah

Every breath, every heartbeat, every blink, they are all asking Allah for permission to continue. And He always says yes, because He loves us!

يَسْأَلُهُ مَنْ فِي السَّمَوَاتِ وَالْأَرْضِ

“Everyone in heaven and earth entreats Him;” (55:29)

Today's Challenge:

Pause once today, put your hand on your heart, feel it beating and say: "Ya Allah, I need You. Thank You!"

Day 17

There Is No Place to Hide

We shall attend to you two huge armies [of jinn and mankind]. Which, then, of your Lord's blessings do you both deny? Jinn and mankind, if you can pass beyond the regions of heaven and earth, then do so: you will not pass without Our authority.

**Lesson
of the Day**

No one can run away from Allah's power.

Day 17

There Is No Place to Hide

Quick Recap

In these ayahs, Allah speaks directly to both humans and jinn.

Some people imagine they are too many, too clever or too hidden to ever be fully held accountable. Allah responds with powerful language. He tells them that a time is coming when they will be gathered together and surrounded.

Day 17

There Is No Place to Hide

Quick Recap

Allah challenges them to try to escape beyond the skies and the earth if they think they can. This challenge is not because escape is possible, but to show that there is nowhere to go.

He knows things that happen in the dark

He knows things that happen in secret

There are some corners of the universe He can't reach

Day 17: There Is No Place to Hide

Draw & Reflect

Draw the earth below and the sky above.
Draw yourself in between. Write: "Allah's
knowledge covers everything and He is
always watching over me!"

Value of the Day: Accountability

There is no place to hide from Allah and that is actually comforting! He sees every kind deed. He hears every quiet du'aa. Nothing is ever lost with Him.

يَمْعُشِرَ الْجِنَّ وَالْإِنْسِ إِنْ أُسْتَبْطِعْتُمْ أَنْ تَنْفُذُوا مِنْ أَقْطَارِ السَّمَوَاتِ وَالْأَرْضِ
فَأَنْفُذُوا لَا تَنْفُذُونَ إِلَّا بِسُلْطَانِ

Day 18

When Escape Fails

يَمْعُشِرَ الْجِنَّ وَالْإِنْسِ إِنَّ اسْتَطَعْتُمْ أَنْ تَنْفُذُوا مِنْ أَقْطَارِ السَّمَوَاتِ وَالْأَرْضِ

Yu'rafu al mujrimuna bi simahum fa yu'khadhu bin nawasi wal aqdam

Day 18

When Escape Fails

Jinn and mankind, if you can pass beyond the regions of heaven and earth, then do so: you will not pass without Our authority. Which, then, of your Lord's blessings do you both deny? A flash of fire and smoke will be released upon you and no one will come to your aid. Which, then, of your Lord's blessings do you both deny? When the sky is torn apart and turns crimson, like red hide. Which, then, of your Lord's blessings do you both deny? On that Day neither mankind nor jinn will be asked about their sins. Which, then, of your Lord's blessings do you both deny? The guilty will be known by their mark and will be seized by their foreheads and their feet.

**Lesson
of the Day**

When Allah's warning comes, no one can protect themselves without Him.

Day 18

When Escape Fails

Quick Recap

After showing that no one can escape Allah's knowledge, this part describes what happens for those who ignored every reminder.

Fire and hardship are described coming. And when that happens, no clever plan, no number of helpers, no amount of strength can protect anyone. Only Allah can protect.

Day 18

When Escape Fails

Quick Recap

This might sound frightening, but it is actually a very caring reminder. It is like a parent saying: "Please listen before it is too late!" Allah is giving us every chance to turn back to Him now, while there is still time.

The good news? There is still time. Every day is a new chance!

Day 18: When Escape Fails

Let's Think!

- A. Help arrives from friends
- B. Fire and hardship come and there is no defence
- C. Rewards are given

What can protect a person then?

- A. Lots of helpers
- B. Being very strong
- C. Only having turned to Allah earlier

What does this teach us about human strength?

- A. It is unlimited
- B. It always works
- C. It has limits, only Allah's help is truly unlimited

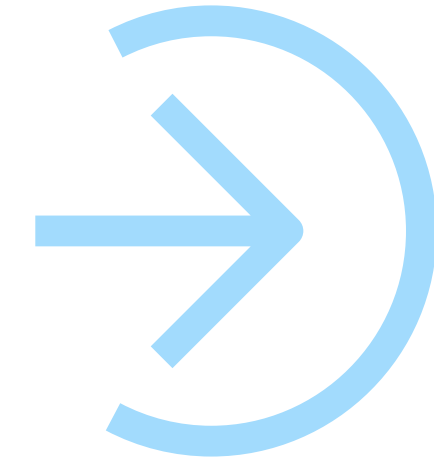

Day 18: When Escape Fails

Reflection

Why do you think Allah reminds people that their strength has limits?

Day 18: When Escape Fails

Puzzle Time! Strong or Helpless?

Tick what shows weakness in this scene:

No way to escape

No defence against Allah's decision

No helpers who can truly protect

Having total control

Having complete power

Day 18: When Escape Fails

Draw & Reflect

Draw a wall or barrier that cannot be crossed. Write one sentence: "Allah's power is greater than everything and I want to be close to Him!"

Value of the Day: Humility

Real power belongs to Allah alone. Today is the perfect day to turn toward Him, not away from Him!

...يُرْسَلُ عَلَيْكُمَا شُوَاظٌ مِّن نَّارٍ

“A flash of fire and smoke will be released upon you...”
(55:35)

Today's Challenge:

When you feel very confident today, pause and say: "Ya Allah, all strength comes from You. Please always protect me!"

Ready for the next revelation? Bismillah.

Tomorrow we see something amazing on an important Day, what was hidden inside people becomes visible!

Day 19

What Was Hidden Becomes Clear

فَيَوْمَئِذٍ لَّا يُسْأَلُ عَن ذَنْبِهِ إِنسٌ وَلَا جَانٌ ﴿٣٩﴾ فَبِأَيِّ آلَاءِ رَبِّكُمَا تُكَذِّبَانِ ﴿٤٠﴾
يُعْرِفُ الْمُجْرِمُونَ بِسِيمَاهُمْ فَيُؤْخَذُ بِالنَّوَصِي وَالْأَقْدَامِ ﴿٤١﴾

Fa yawma idhin la yus'alu 'an dhanbihi insun wa la Jan. Fa bi ayyi ala'i rabbikuma tukaththiban. Yu'rafu al mujrimuna bi simahum fa yu'khadhu bin nawasi wal aqdam

Day 19

What Was Hidden Becomes Clear

On that Day neither mankind nor jinn will be asked about their sins. Which, then, of your Lord's blessings do you both deny? The guilty will be known by their mark and will be seized by their foreheads and their feet.

**Lesson
of the Day**

On the Day of Judgment, people will be known by what was inside their hearts.

Day 19

What Was Hidden Becomes Clear

Quick Recap

Allah describes a Day when everything will be completely clear. Things done in secret, things done quietly, things people thought nobody noticed all of it will be known.

Day 19

What Was Hidden Becomes Clear

Quick Recap

Good choices leave a light. Bad choices leave a darkness. You cannot pretend or put on a costume!

But here is the kind reminder inside this lesson: we don't have to wait until that Day to clean up our hearts. We can do it right now, today, by making good choices when nobody is watching because Allah is always watching and He loves what He sees!

Day 19: What Was Hidden Becomes Clear

Let's Think!

Why will people not need to be questioned?

- A. Because nothing matters
- B. Because everything will already be completely clear
- C. Because they are forgotten

How will people be recognized?

- A. By their clothes
- B. By what others said about them
- C. By the marks their choices left on them

What do our choices do?

- A. Disappear over time
- B. Only matter if other people see them
- C. Leave lasting effects on us

Day 19: What Was Hidden Becomes Clear

Reflection

Why do you think Allah makes what is hidden become clear on that Day?

Day 19: What Was Hidden Becomes Clear

Puzzle Time! Hidden or Visible?

The guilty will be known by their mark and will be seized by their foreheads and their feet. Which, then, of your Lord's blessings do you both deny? “Shall the reward of good be anything but good?” (55:60)
